

US President

*President George W. Bush (R)

Senator John Kerry (D-Mass.)

***Mike Ferguson (R)**
Hometown: Warren
Occupation: Congressman
Education: Bachelor's degree in government from Notre Dame University; Master's of public policy degree with a specialization in education policy from Georgetown University.
Experience: Congressman since 2000; prior to serving in Congress, Rep. Ferguson taught history in The Bronx and political science at Brookdale Community College.

Congress (2-Year Term) Seventh Congressional District

***Mike Ferguson (R)**
Steve Brozak (D)
Platform: Eighty-one residents of the seventh Congressional District were killed on September 11, 2001. I have voted in Congress to invest billions of dollars (more than \$32 billion in Fiscal Year 2004 alone) in strengthening our defenses, including a plan that provides first responders with the tools they need to protect us, our ports and borders, and our critical communications systems. I also recently co-sponsored legislation in the House which would implement the recommendations of the 9/11 Commission. Passage of this important bill is my top priority.

Steve Brozak - DEM
Hometown: Westfield
Occupation: Biotech Research Analyst; co-founder Westfield Bakerink Brozak LLC, an investment bank specializing in biotechnology, medical devices and healthcare research.

Education: Bachelor of Arts in East Asian Studies, Columbia University (1994) M.B.A., Columbia University.
Experience: A businessman and Marine Corps veteran, Mr. Brozak is running for Congress to put his experience to work by bringing high paying jobs back to New Jersey. A decorated officer, his military occupational specialties include infantry, public affairs, and foreign area service (Western Europe). Prior to his release in November of 2003, he had been on duty in Bosnia, the US Mission to the United Nations in New York, and Haiti. In November of 2002, Mr. Brozak was recalled for extended active duty for Operation Enduring Freedom as the Spokesperson for the Department of Defense Agency, the Employer Support of the Guard and Reserve (ESGR) until December of 2003. His personal military decorations include the Navy/Marine Corps Meritorious Service Medal with Gold Star, the Navy/Marine Corps Commendation Medal, the Joint Service Achievement Medal, and the Navy/Marine Corps Achievement Medal.

Platform: He believes in fiscal responsibility, and will fight to get spending under control and balance the budget. His experience as a Marine has prepared

him to be a leader on the foreign policy challenges and national security needs facing our country in the post-9/11 world. As your Congressman, he will fight to protect the long-term stability of Social Security and Medicare, and to deliver real prescription drug relief for New Jersey seniors. Mr. Brozak put himself through college working in the restaurant business.

***Daniel Sullivan - DEM**
Hometown: Elizabeth
Occupation: Director with the New Jersey Motor Vehicle Commission
Education: Graduate of Seton Hall University with a bachelor's degree in government.

Experience: Freeholder Sullivan began his public service career when he was elected to the Elizabeth Board of Education in 1993. Appointed to the Union County Board of Chosen Freeholders in 1995 to complete a one-year term, he was elected to three-year terms in 1995, 1998 and 2001. Freeholder Chairman, 1998 and 2000.

Platform: We believe it is important to continue to provide Union County residents with vital health services they find at Rumlins Hospital. Rumlins is currently the state's premier county-run specialized hospital, achieving high report card reviews from the New Jersey Department of Health. It has also continued to operate profitably, providing tax relief to residents.

Bette Jane Kowalski - DEM
Hometown: Cranford
Occupation: Ms. Kowalski has served for more than 10 years as an editor and managing editor for *The World Press Review*, a monthly magazine on foreign affairs, and wrote a monthly column on Latin American press. She has served either as an editor, writer, translator or reporter at the following publications: *New York Newsday*, *The Village Voice*, *Publishers Weekly*, *WNYC History Notes*, *The Gotham Gazette*, *The Stamford Advocate*, *Criticas* and *The Cranford Chronicle*.

Education: Masters degree in Journalism from New York University. Bachelor of Arts degree from Hunter College.

Experience: Member and organizer of the League of Women Voters and board member of the Lincoln Heights Association, a neighborhood preservation group in Cranford. She has also served as the second vice president of the Cranford Democratic Committee, and as a district leader.

Platform: The arts will play a big part in the revitalization of our neighborhoods. Preserving grants for history education and the arts (HEART Grants) plays a vital role by providing funding to artists directly at the grass-roots level. Another program worth mentioning is the county's award-winning "Care for Caregivers: the Arts as Respite." The program provides a series of free visits by professional artists to "stressed out" unpaid family caregivers of adults over 60. Caregivers are encouraged to focus their energies on creative projects as the arts are a proven, effective tool in managing and gaining respite from stress.

Freeholder, Union County (3-year terms; 3 positions at large)

Left to right, DEM: * Dan Sullivan, Bette Jane Kowalski and Adrienne Mapp

Adrienne Mapp - DEM
Hometown: Plainfield
Occupation: Adrienne Mapp is a certified public accountant. He is an Associate Director of Planning for the Bristol-Myers Squibb Company, where he has worked for the past 14 years.

Education: M.B.A. in International Business from Fairleigh Dickinson University; Bachelor of Science degree from Rutgers University.

Experience: President of the Plainfield City Council, he has served on the council for more than six years. He is the Council's liaison to the Plainfield Municipal Utilities Authority and served as chairman of the Finance Committee and liaison to the Board of Education. Councilman Mapp has served also on the Cable Advisory Committee, the Plainfield Redevelopment Authority, and the board of directors of the Plainfield Health Center, and he is chairman of the Capital Campaign Committee at St. Mark's Episcopal Church.

Platform: With our nation and Union County on heightened alert because of the war on terrorism, we must remember our veterans and honor their sacrifices. Union County has initiated a unique policy to provide benefits and compensation to County employees who are called to active military duty. The Democratic team has expanded the Office of Veterans Affairs and outreach to local veterans' organizations to assist veterans of past wars. If elected, I will continue to support and improve upon these programs.

Frank Arena - GOP
Hometown: Westfield
Occupation: Senior Sales Executive for an industry leading \$6.5 billion information technology company where I am responsible for the marketing, sales and support services for major financial and government institutions including the City of New York.

Education: Bachelor of Science in Economics and Marketing.

College: Susquehanna University, Selinsgrove, Pa.
Experience: He held the position of Vice-Chairman of Campaigns for the Westfield Town Republican Committee. Additionally, he is currently a board member of the Downtown Westfield Corporation, where he helps oversee Westfield's downtown revitalization projects. He also is a member of the National Advisory Board of the Black America Political Action Committee (BAMPAC).

Platform: It is a sad fact that most Union County people are not familiar with the office of freeholder, or that about 20 percent of their tax bill goes to Union County. The reason is simple. New Jersey

Freeholder (1-year term; 1 position)

Bruce Paterson (R) John Wolhrab (D)

Bruce Paterson - GOP
Hometown: Garwood
Occupation: Project Engineer, Licensed New Jersey Master Plumber, owner of Powder Puff Plumbing Co.

Education: Bachelor of Science degree, Mechanical Engineering, Rutgers University.

Experience: Served or serve on various borough committees in Garwood: Celebrations Committee, Steering committee for Education Foundation, School Referendum Committee, Centennial Anniversary Committee, Editor of Garwood's *The Roaming Eye & Ear* newsletter, Treasurer of the Garwood Republican Committee and District Committeeman.

Platform: Opened and balanced government. The county is spending \$1 million a day. Do you know where that money is going? We are four candidates that demand to know. What we uncovered so far is that they are wasting your tax dollars on many patronage jobs, inefficiency, waste and unethical practices. Taxes that have gone up 40 percent in four years and each year the county press department reports that they "tightened every department's belt." But since they deflect and spin information, all you end up doing is yelling at the town council or school board because those entities raised your taxes 5 percent a year. Elect all four of us and we will stop this spinning. We will hold them accountable and uncover and correct the waste, inefficiency and unethical practices. We can keep all those feel good grants and still decrease your taxes. It is time to give the government back to all the people.

John Wolhrab - DEM

Hometown: Linden
 Mr. John Wolhrab of Linden whose name remains on the ballot was charged with assault by the Linden police two weeks ago for domestic violence and resigned from his appointed Freeholder position. If elected, the Democrat party announced it will replace him by appointing a Linden attorney, Nancy Ward.

Mr. Wolhrab, an executive with Waste Management, Inc. in Elizabeth was appointed to the freeholder board in March by the Union County Democrat party to replace former Freeholder Nicholas Scutari, who resigned his position to serve in the State Senate in 2003 in the wake of sexual harassment charges leveled against then Senator Joseph Suliga.

Candidates For Surrogate (5 Year Term)

*** James LaCorte - DEM**
 Mr. LaCorte of Elizabeth has served as the Union County Surrogate for the last five years. During his 25 years as a practicing attorney, Mr. LaCorte took part in a capital murder case involving a police officer who murdered his wife. He also served as the public defender for Union County, and had his own private practice.

Mike Panagos - GOP
 Mr. Panagos of Westfield has been a practicing attorney for 27 years and is a former five-term Westfield Town Councilman. He previously served as Union County's First Deputy County Council where he was responsible for supervising the legal department in connection with Union County Social Services.

RE-ELECT MARKS MAYOR

CORONATO SCOTCH PLAINS COUNCIL

Fund for by Marks and Coronato for Scotch Plains, 28 Clydesdale Road, Scotch Plains, NJ 07076

Protect Your Estate and Preserve Your Options.

Current uncertainty over the estate tax laws has caused many to wait too long to protect their assets. Through the "Wait-and-See Estate Plan," you can purchase a survivorship life insurance policy that helps protect your estate today, but allows you to revise the plan whenever the tax laws change.

This plan offers you control, flexibility and estate protection. Best of all, it takes the guesswork out of your planning. Give me a call today to find out more about the "Wait-and-See Estate Plan."

- Want someone to accompany you when shopping for the perfect outfit for your upcoming event, interview, or new job/career?

Personal Time Solutions assists individuals or companies embarking on new beginnings that require some serious hands-on time, but with no time to spare.

Call 908-233-5967 to learn the many ways Personal Time Solutions can work for you!

Fanwood Council

***Katherine Mitchell - DEM**
Occupation: Registered Nurse at Rumlens Specialized Hospital in Berkeley Heights.

Education: Graduate of Holy Trinity High School in Westfield. Graduate of the Elizabeth General School of Nursing.

Experience: Elected to Fanwood Borough Council in 1998; reelected in 2001. Council President in 2004. Currently Police Commissioner, council representative to Historic Preservation Commission, member of Administration and Finance Committee, Cultural Arts Committee, and Communication and Volunteerism Committee.

Platform: Fanwood has been my home for more than 50 years and I care deeply about what happens in my community. As a senior citizen approaching retirement, I feel that it is important that we do all that we can to encourage our senior citizens to remain in Fanwood. We should control spending and taxes, seek available grants and other alternative sources of revenue and shared services. We should continue the progress toward sensible downtown redevelopment which is vital to our economy. And we should provide seniors, children and families with the services and facilities they need and deserve.

Maureen Mawby - GOP
Occupation: Career in Corporate Marketing Sales, Finance and Human Resources; Currently Marketing and Office Manager.

Education: Certified Project Manager, AT&T; Instructor, Dale Carnegie Institute.

Experience: Homeowner and 30-year resident of Fanwood; three adult children, graduates of Scotch Plains-Fanwood Schools; five grandchildren.

Platform: The Downtown Redevelopment planning is creeping along at an anemic pace. I pledge to help to get this plan moving in the right direction. We need to work with and scrutinize the plans and proposals of any developers and an environmental study must be completed on the Dean Oil site to make it safe from toxic problems. I support a Downtown Redevelopment Plan that will add property tax revenue and create a more attractive community.

Education: Graduate of Holy Trinity High School in Westfield. Graduate of the Elizabeth General School of Nursing.

Experience: Elected to Fanwood Borough Council in 1998; reelected in 2001. Council President in 2004. Currently Police Commissioner, council representative to Historic Preservation Commission, member of Administration and Finance Committee, Cultural Arts Committee, and Communication and Volunteerism Committee.

So, as we wait for redevelopment, time is wasting - we are actually losing money every day. I pledge to get going full steam ahead, for a better Fanwood, as we preserve our future.

For the betterment of all residents, Fanwood Borough Council doesn't have, and needs to have a balanced representation of Republican and Democrats, which provides better and more dialog on every issue. I am a new face, with new ideas. If I am elected to the Fanwood Borough Council, I pledge to work hard, energetically, diligently and quickly to get "issues" resolved for the people and the community to preserve Fanwood's future.

Joel Stroz - GOP
Occupation: Attorney

Education: Juris Doctor, Rutgers School of Law; Masters in Business Administration, Rutgers Graduate School of Management; Bachelor of Arts, Economics, Queens College-C.U.N.Y.

Experience: Member, Fanwood Strategic Plan Advisory Committee; concerned resident that has followed local politics and policies such as Dean Oil Site development proposals and member of the Fanwood Republican Club.

Platform: Bring fiscal responsibility and a sense of urgency to Fanwood's Borough Council. Spending needs to be controlled to keep Fanwood an affordable and desirable community. The council has had to petition for extraordinary aid this year in order to avoid an 11.3 percent tax increase passed this spring. Despite the fiscal emergency, the council has expanded expenditures in this year's budget by 6.2 percent over last year's budget. A continued reliance on extraordinary aid from Trenton and failure to go through each year's budget line by line to minimize spending will promote an unrealistic and dangerous dependency on Trenton largess. We can and must do better to preserve Fanwood's future.

Patrick Higgins - DEM
Occupation: Land use and site planner with New Jersey Schools Construction Corporation. More than 30 years of public sector experience in finance, transportation planning, land use and site planning with communities in Middlesex County and NJ Transit.

Education: Masters Degree in City and Regional Planning from Rutgers University. Master of Business Administration from Rutgers University.

Experience: Appointed to Fanwood Borough Council to complete the term of former Councilman Michael Brennan in 2004. Chairman of Fanwood Downtown Advisory Com-

mittee. Served on Fanwood Planning Board. Served in U.S. Army, Military Police, 1970-1972.

Platform: Using my professional background and my sports experience, I believe I can make a significant and positive impact in Fanwood, particularly in planning and redevelopment, finances and budgets, and parks and recreation. I will work to maintain and enhance the unique qualities of our community by helping to develop a downtown for Fanwood's families - not the developers. We should work to secure more grants to control property taxes, improve our parks and maintain vital emergency services while we strengthen our local economy. I will pay particular attention to the financial concerns of senior citizens and young residents who want to remain in Fanwood.

Andrew Baron - DEM
Occupation: Attorney in private practice. Fanwood and Plainfield Prosecutor.

Experience: Scotch Plains Township Attorney in 1999 and Assistant Township Attorney in 2000 and 2001. He previously served as an Assistant Union County Counsel and Assistant Middlesex County Prosecutor. In 1997, Mr. Baron ran unsuccessfully for State Assembly in the former 22nd Legislative District.

Platform: Improving the downtown without imposing a tax increase. Using the experience and knowledge of residents to examine the township budget practices and make recommendations.

that includes exploring the opportunity to build a community/senior center. Our seniors are the backbone of our town and they should have access to a quality place for their recreational and meeting needs.

Barbara Baldasarre - DEM
Occupation: Registered Nurse. Currently Administrative Director of Professional/Support Services at Rumlens Specialized Hospital of Union County. In this role, oversees multimillion dollar budget and manages several professional contracted services.

Education: Bachelor of Science degree in Nursing, Jersey City State (College); Master of Science, Jersey City State (College); Certificate in Public Management, Kean (College) University; Classes in Municipal Budgeting and Planning/ Zoning, Rutgers University.

Experience: Past Director and Past President, National Orthopedic Nurses Association; Founder and Past Chairperson of Associate Nurse Administrators of New Jersey and held top level positions in health care administration for past 25 years in New Jersey and Delaware.

Platform: Last year there, was an 18-point increase in municipal taxes. If elected, I would place efforts in the area of long range planning to anticipate needs to prevent the need for crisis management which is more costly. I would look for those services that are included in the budget and seek alternate ways to finance them. This would include applying for all public and private grants that might be available to decrease tax burden. As my running mate for Mayor,

Andy Baron and I have already done, we initiated a panel of citizens with financial/business backgrounds to review the budget and offer recommendations. We expect to also do this in several other areas including working very closely with the business association for improvement in all business sections of town. Another goal will be to hold town meetings throughout the township on a regular basis which will give us the opportunity to meet with the citizens and hear their concerns.

* denotes elected incumbents

County Sheriff

(Union County 3 years)

*** Ralph Froehlich - DEM**
 Incumbent Sheriff Ralph Froehlich of Union is the longest serving sheriff in the state. He has been at his post for 27 years. He has been involved in law enforcement for over 40 years, beginning his career as police officer in Elizabeth, where he was born and raised.

The sheriff graduated from Kean College in 1975 with a Bachelor of Arts degree in Sociology, and he also attended the Northwestern University Traffic Institute in Illinois, and the National Institute of Corrections in Boulder, Co.

He lives in Union Township with his wife, Marlene. He has three daughters - Debra, Lora and Rene (deceased).

Peter Lioji - GOP
 Mr. Lioji of Summit is an attorney seeking the office of sheriff. No further information has been provided.

SP Mayor

***Martin Marks - GOP**
Occupation: Dentist

Education: Virginia Tech, Bachelor of Science degree in Biology; UMDNJ-New Jersey Dental School, D.M.D.; Booth Memorial Medical Center, General Practice Residency; VA Medical Center, Certificate of Advance Training in Endodontics.

Experience: Scotch Plains Mayor 2000-present; Scotch Plains Township Council 1997-1999; New Jersey State League of Municipalities Property Tax Reform Review Committee; Scotch Plains Planning Board; Scotch Plains Environmental Commission.

Platform: The number one issue facing all mayors across the state is the desperate need for property tax reform for New Jersey. New Jersey has the dubious distinction of having the highest property taxes in the nation and it is forcing many, especially those living on fixed incomes, out of our communities and out of New Jersey. Because of my advocacy for reform, I have been asked to represent the New Jersey State League of Municipalities and travel the state in an effort to get our state government to change the system. If our state leaders fail to lead, then our next best option for property tax reform is via a Constitutional Convention. It does a great disservice to our residents to lead them to believe that the property tax crisis is just a Scotch Plains issue. It is time for Democrats and Republicans in Scotch Plains and across the state to rally for change in a bipartisan manner.

SP Council

***Paulette Coronato - GOP**
Occupation/Experience: Currently serving my fourth year as Councilwoman and second year as Deputy Mayor. Since my four children are grown, I am able to devote full attention to my constituents and municipal matters.

Education: Graduate of Immaculata College of Washington, D.C.; Associate in Arts degree, Business, Medical Secretary.

Experience: Scotch Plains Township Deputy Mayor, 2003 and 2004; Scotch Plains Township Council Member, 2001 to 2004; Scotch Plains Council Liaison to Senior Housing Corporation; Scotch Plains-Fanwood Shared Services; Planning Board; Scotch Plains Planning Board, Member, 1985 to 1990; Council Representative, 2001 to 2004; Scotch Plains Zoning Board of Adjustment, Member, 1994 to 2000, Vice Chairman, 2000.

Platform: My platform revolves around protecting and enhancing the quality of life that Scotch Plains residents currently enjoy. I want to continue to work with our land use officials in preserving the residential character of our neighborhoods by eliminating zoning laws that are counterproductive to achieving that goal. I also want to continue to preserve public lands as conservation zones, where they can be enjoyed in perpetuity in their pristine condition.

While on council, we have built new and renovated old ball fields and parks to better provide for the recreational needs of all our residents. There is more work to be done and
