WESTFIELD . . . A perfect location just five blocks from town is only the beginning of what makes this English Colonial so special. Distinctive architectural elements – arched doorways, classic floor plan, hardwood floors & oversized mullioned windows highlight the classic 1930's look. The kitchen, totally renovated in 2005 uses only the best materials including a hammered cooper farm sink, AGA gas stove, cherry cabinetry, tumbled marble backsplash & limestone countertops. Reclaimed French terracotta flooring just adds to the charm. French doors from the family room to a slate patio extend the living space to the storybook backyard. Attention to detail is apparent throughout & makes this home one of a kind. \$879,000 (052NEW)

WESTFIELD . . . This classic 5 bedroom Center Hall Colonial retains all the period architectural detailing of high ceilings, arched entry, characteristic moldings, oversized wood-burning fireplace & large rooms. Incredibly light & bright throughout, the extensive updates include great room addition w/cathedral ceiling, skylight, additional fireplace, updated kitchen & 3 renovated baths & finished basement. The groomed .3 acre backyard hosts frequent picnics & croquet matches. Located within 1/2 mile of the train station, all the conveniences of downtown Westfield are just moments away. Recently painted, inside & out, this one is in absolute move-in condition. \$1,299,000 (05211302)

WESTFIELD . . . Just 10 years old, this 4 bedroom, 2 1/2 bath Center Hall Colonial offers all the features you want in new construction. Built by Michael Mahoney, the two-story foyer opens to a living room, formal dining room & open family room & kitchen. Sliders from the family room open onto the deck and a very large private yard. Four generous bedrooms include a very spacious master w/private bath & walk-in closets. The extra high basement, ready to be finished, reasonable taxes & a great location close to schools, make this home a perfect choice. \$949,900 (052NEW)
