County Continues to Bring Art to Caregivers

COUNTY - The Union County Board of Chosen Freeholders announced the eighth-year renewal of its innovative program to bring the arts to the homes of full-time unpaid family caregivers of care recipients over 60 years of age. The free program will provide artists to come to the caregiver's home in a series of visits, bringing art that is personalized to suit their individual needs and interests.

Some examples of visits include: writers to help document family stories or teach how to keep a journal, live musical performances to share with friends, portraits done from life or favorite photographs, art projects for caregivers and care recipients to do together and lessons in drawing, watercolor, keyboard playing and drama.

In addition to caring for a family member, the caregiver may also work a full-time job outside the home. As long as the care recipient is older than 60 and both people live in Union County, they are eligible.

BRUSHING UP ON THEIR SHAKESPEARE...Justin Rosin, left, playing Second Man and Bobby O'Rourke as First Man, two gangsters who get a taste of being on stage, entertain the audience at the Ford's Theater in the play-within-a-play of Cole Porter's musical *Kiss Me, Kate*, at WHS.

WHS Students Nominated For Paper Mill's Rising Star Awards

WESTFIELD - The Paper Mill Playhouse recently announced its nominees for the Rising Star Awards. Senior Bobby O'Rourke and Junior Justin Rosin, who played gangsters in Westfield High School's recent production of *Kiss Me, Kate*, were nominated for Outstanding Performance by a Featured Ensemble Group.

Sophomore Catalina Gaglioti, who played Kate, was nominated for Outstanding Performance by an Actress in a Leading Role. Sophomore Peter Surace, who played Petruchio, received the nomination for Outstanding Performance by an Actor in a Leading

Role.
 The Paper Mill Playhouse Rising Star Awards are modeled after the Tony Awards. Paper Mill's program serves the entire state of New Jersey, with 100 entered productions from public, private and parochial schools.

They have ignited the careers of many notable performers, all of whom attended high school in New Jersey, including Academy Award nominee Anne Hathaway and Tony winner Laura Benanti.

The 2009 Rising Star Awards ceremony at The Paper Mill Playhouse is set for June 16.

Workshop Features Jazz, Fencing, Gymnastics

WESTFIELD - Classes in the Dance and Movement Department of the Westfield Summer Workshop give students the opportunity to improve their physical abilities while they enjoy a variety of challenging experiences.

Those enrolling in Broadway Jazz, for grades 3 to 5 or 4 to 6, will dance to contemporary show tunes using both jazz and modern dance movements. The Hip Hop class, for grades 5 to 8, uses the latest moves to combine original choreography with popular dance moves.

MENDING FENCES...Advanced fencers can expand their skills in the Fencing 2 class offered this year by the 2009 Westfield Summer Workshop.

Dancers, in grades 2 to 3 or 4 to 5, can perform to the traditional music of Ireland in Irish Dance and learn jigs, slip jigs and hornpipes.

Fencing allows participants, in grades 4 to 8, to improve their coordination and flexibility while learning the basic offensive and defensive moves. Returning this summer is Fencing 2, where students will expand their existing skills as they learn advanced fencing moves.

Gymnastics 1, for grades 2 and 3, introduces the young gymnast to rolls, cartwheels and handstands. In Gymnastics 2, for grades 3 to 4 or 4 to 6, students will build upon their skills and increase their strength, flexibility and

coordination.
 Volleyball returns from its initial success last summer. Students, in grades 4 to 8, will learn skills and drills in this classic sport.

The 2009 Dance and Movement Department has several new offerings this year. Among them is Classic Gym Games, for grades 2 to 4, which will help students maintain physical fitness and improve their skills as they engage in individual and team challenges.

Also new is Spirit Squad, where cheerleaders, in grades 3 to 5, will learn jumping techniques, tumbling skills and basic stunts in cheer and dance routines. Creativity, imagination, songs and storytelling, combined with yoga postures, compose the new class in Yoga, for grades 3 to 5.

The WSW, open to residents of all communities, will be held at Edison Intermediate School in Westfield from June 29 until July 31. Classes are held from 8:30 a.m. until 12:30 p.m., with options for early morning drop-off or a full day of programming in conjunction with the Westfield YMCA.
