

Christie Signs Bills

Recognizing Vets' Service

TRENTON – Governor Chris Christie has signed a package of bills recognizing the loyal service, bravery and sacrifice of New Jersey's active-duty service men and women, as well as retired military veterans. The bills – A-1945, A-515, A-1944 – honor the service of members of the New Jersey National Guard, recognize veterans of the Korean and Vietnam conflicts and expand the membership of the Veteran's Services Council. S-795, previously signed into law, pays tribute to the sacrifices of Vietnam Veterans from South Jersey in Southern New Jersey.

"These bills demonstrate New Jersey's ongoing commitment to the men and women who have served this nation in uniform," said Maj. Gen. Glenn Rieth, the Adjutant General. "From the expansion of Operation Recognition to include Korean and Vietnam Veterans, to the special award for service in the New Jersey National Guard Honor Guard, these bills honor all who served."

The first bill, A-1945, creates a New Jersey Honor Guard Ribbon for active members of the New Jersey National Guard, Honor Guard Retiree members and Contracted Civilian Buglers who have served to honor deceased veterans at Brigadier General William C. Doyle Veterans Cemetery.

The first recipients of the Honor Guard Ribbon are: SGT Allain Batong, SGT Damont Brown, SGT William Camp, SPC Lawrence Davidson, SFC Raymond Denson, SGT Lasevic Diaz, SSG Gregory Flynn, SPC Joseph Harang, CW4 (Retired) Kenneth Langer, SSG Rachell Lewellen, 1Lt Angel Perez, PFC Roy Pierson, SPC Raheem Rowell, TSgt Christopher Schauers, MSG (Ret) Karl Tomaszewski, MSG Lavona Toplyn, SPC Asim Williams and AIC Katherine Yunes.

A-515, expands Operation Recognition to include veterans of the Korean and Vietnam conflicts. The program currently awards state-endorsed high school diplomas to eligible World War I and World War II veterans who left high school before graduation to enter the U.S. military.

Another bill, A-1944, changes the membership requirements of the Veteran's Services Council, increasing membership from nine to 12 and requires there be at least two women members.

S-795 pays tribute to the sacrifices of Vietnam Veterans from South Jersey by naming a portion of Route 47 in Glassboro Gloucester County as South Jersey Vietnam Veterans' Highway.

UNICO Asks Christie To Restore Funding

FAIRFIELD —UNICO National has called upon New Jersey Governor Chris Christie to restore funding to the New Jersey Italian-American Heritage Commission, which had its entire \$110,000 state funding eliminated in the Governor's 2011 fiscal year budget.

At UNICO's recent national convention in Hershey, Pa., its members passed a unanimous resolution, sponsored by UNICO's Anti-Bias Committee led by Manny Alfano, urging Governor Christie to restore funding and declaring outrage over the state's decision to leave funding for other ethnic commissions, but not the Italian-American Heritage Commission.

"Italian-Americans are the largest ethnic group in New Jersey and have made incalculable contributions to the state," UNICO National President Chris DiMattio said. "This is a terrible situation, and Governor Christie should take immediate action to restore funding to the Italian-American Heritage Commission. It is shocking since the Governor himself is Italian-American, and this occurred to the exclusion of other ethnic commissions."

The New Jersey Italian-American Heritage Commission was created in 2001 by the New Jersey Legislature, and signed into law by former Governor Donald DiFrancesco, after a campaign of support from citizens and Italian-American organizations such as UNICO.

NJ Pushes to Move State Off Fossil Fuels

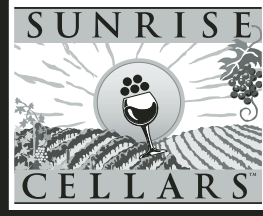

TRENTON – Legislation to promote independence from the United States' traditional reliance on petroleum-based fossil fuels has been approved by the state Senate.

The bill, A-1052, requires the state to purchase and use biofuels in place of fossil fuels if the cost is the same or less, and if the purchase and use of biofuels is deemed to be "reasonable, prudent and cost-effective." The bill was approved 78-0 by the Assembly in May. It was unanimously approved by the Senate 37-0 on Monday, but will need to return to the Assembly for final approval because of minor amendments.

"New Jersey is one of the leading states in the nation in the advancement of alternative-energy technologies," said Assemblywoman Annette Quijano (LD-20, Union), one of the bill's sponsors. "Reducing our fossil-fuel dependence by using more renewable resources, such as biofuel, has the potential to significantly improve local air quality, reduce the state's dependence on foreign oil and reduce statewide greenhouse gas emissions."

Olivet Lane Estate Bottled Chardonnay 2007
The vintage was great. This wine is ultrarich in tropical fruit, buttered toast, buttermilk and spice flavors, but pretty well balanced with acidity and minerals.
