Tips on Leaf Collection

Please telephone Leaf Hotline at (908) 789-4120 for daily schedule information during leaf season. The following tips are recommended:
 If you live on a street that divides two zones, the street is assigned to the zone on the west, or to the left on the map.
 Keep branches and other debris out of leaf piles, as collection crews will not pick them up.
 Avoid curbside parking of cars on scheduled collection days.
 Leaves may be taken to the conservation center on Lamberts Mill Road during scheduled hours.
 Clear plastic bags are available at the Public Works Center free of charge, and the filled bags are picked up by the town within 24 hours of notification by the resident.
