BOARD OF EDUCATION
SCOTCH PLAINS-FANWOOD, NEW JERSEY 07023

In accordance with the New Jersey Statutes relating hereto, Notice is hereby given that the Board of Education of the School District of the Township of Scotch Plains and the Borough of Fanwood has prepared a tentative budget for the school year beginning July 1, 2000, and ending June 30, 2001, which is on file and open to inspections at the Secretary's office in the Administration Offices, Cedar Street and Evergreen Avenue, Scotch Plains, New Jersey.
It should be observed that expenditures are shown under a GAAP format (Generally Accepted Accounting Principles) approved by the New Jersey State Department of Education. This format shows the School District's tentative budget by general program rather than in the line item structure, thus providing the reader with a better understanding of how the District plans to utilize community resources.
Public Hearing on said budget will be held at the Administration Offices, Cedar Street and Evergreen Avenue, Scotch Plains, New Jersey at 8:00 p.m. on Monday, March 27, 2000.
The tentative budget will be on file and open for examination from the date of this Notice until March 27, 2000, between the hours of 9:00 a.m. and 4:00 p.m., prevailing time, on regular school days, in the Office of the Secretary, Administration Offices, Cedar Street and Evergreen Avenue, Scotch Plains, New Jersey.
The school district has proposed programs and services in addition to the core curriculum content standards adopted by the State Board of Education. Information on this budget and the programs and services it provides is available from your local school district.

Below are the amounts for the proposed and prior two years given the current statutory limitations:

Table with columns: PER PUPIL COST CALCULATIONS, 1997-98 ACTUAL, 1998-99 ACTUAL, ORIGINAL BUDGET, REVISED BUDGET, PROPOSED BUDGET

The information presented in columns 1 through 3 as well as the related descriptions of the per pupil cost calculations are contained in the 2000 Comparative Spending Guide and can be found on the Department of Education's Internet address: http://www.state.nj.us/education under Schools. This publication is available in the board office and public libraries. The same calculations were performed using the 1999-00 revised appropriations and 2000-01 budgeted appropriations presented in this advertised budget. Total Comparative Per Pupil Cost is defined as current expense exclusive of tuition expenditures, transportation, residential costs, and judgments against the school district. For all years except 1997-98, it also includes the new restricted entitlement aids. With the exception of Total Equipment Cost, each of the other per pupil cost calculations presented is a component of the total comparative per pupil cost, although all components are not shown.
