Local Student Inducted Into Phi Beta Kappa

EWING - The following students have been elected to Phi Beta Kappa, the nation's oldest and most widely recognized academic honor society, through the Delta of New Jersey chapter at The College of New Jersey.

Bridget Kelly, of Fanwood, who is majoring in Psychology.

This distinction signifies outstanding academic achievement and a commitment to the spirit of life-long learning. At TCNJ, only 91 students received this honor this year. Typically, fewer than 10 percent of the candidates for degrees in liberal arts and sciences are elected each year.

TCNJ is one of only four colleges in New Jersey with a Phi Beta Kappa chapter. Nationally, only 10 percent of U.S. colleges and universities have chapters.
