Bereavement Seminar To Begin Apr. 28 In Cranford

CRANFORD — The First Presbyterian Church of Cranford, located at 11 Springfield Avenue, will hold an eight-week seminar entitled "Journey to Wholeness — Healing the Grieving Heart" on Sunday evenings from April 28 to June 16.

Topics of discussion will include loss in all of its different forms and how one can cope and continue forward past his or her pain and suffering. Pre-registration is now open and is required prior to the first session.

Patti Williams, a Registered Nurse and certified pastoral bereavement counselor, and Virginia Waters, Ph.D., a psychologist, have been hosting this program for 19 years at the church. They have helped almost 3,000 people experience healing, find new purpose for their lives and feel joy once again.

Sessions will run from 6:30 to 8:30 p.m. in the Prime Time Room of the church. This location is handicapped-accessible. Teaching is interactive and the small groups are homogeneously grouped with a facilitator with the same loss.

"This is an experience like no other," said Mrs. Williams. "It does not matter if your loss is divorce,

death, depression, loss of health, or job loss; loss is loss — it must be grieved. It does not matter how long ago you experienced loss."

The sessions include learning about the stages of grief and understanding the tasks of the grieving process, coping strategies and tools for the journey, taking good care of oneself, dealing with changes, decisions, loneliness, holidays, anniversaries, building a support system, and more.

Both of the leaders and all of the facilitators have experienced loss within their lives and share from "the inside out." Attendees are welcome to bring family members and friends. All faiths are welcome.

Participants must pre-register for the event and attend the first session. Registration closes as of session one. To register, call Mrs. Williams at (908) 709-1341. No fee is charged.

The seminar is dedicated to Mrs. Williams' late husband, the Reverend Dr. Bruce D. Williams, who had a vision for this program and a desire to help others deal with their pain and suffering during their time of loss.
