Westfield High School volleyball has had one of the most illustrious past five years out of all Blue Devil sports. Continuing their winning ways, the hosting Blue Devils rolled easily past Cranford, 15-5, 16-14, on September 21, improving their record to 3-1.

Westfield breezed past the young Cougars in the first game. The Blue Devils began with a slight, 5-3, lead and then surged to a 13-3 advantage before finish notching the final two points.

Senior Samantha Sa was credited with four points, including two huge

spikes and an ace. Junior Cari Rock contributed with a huge spike to put Westfield on their hot streak.

In the second game, the Cougars caught on to the Devils' offensive scheme and were able to manage 14 points and the lead for most of the game. However, the result was the same, as the powerful hitting of Rock, Sa, and junior Nikki LeBlanc was overwhelming. Also strong was senior Nicole Difabio, who was responsible for four Blue Devil points.

Westfield jumped out to an early, 6-1, lead but the Cougars overcame the deficit and took an 11-8 lead. Cougar sophomore Meg Brady contributed big with key side-outs. Also, senior Gina Riateri rallied her team both physically and verbally, trying to keep the aggression high and the mistakes low. Nicole Seney was also a star, contributing with three big serves to move her team into the lead.

During a 13-13 tie, the teams exchanged side-outs before one team was able to take the lead. Westfield was that team, and they came out victorious thanks to a key side-out by LeBlanc. Quite possibly the biggest play of the game came from Rock, who nailed a huge spike down Cranford's throat to give Westfield the lead for good.

Westfield captain Samantha Bourque-Trieff, who led her team valiantly with many key assists and sets, said, "We lost a lot of the team from last year, but considering that we played really well."

The team has been coming together so far for Coach Beverly Torok, who was the Star-Ledger's Coach of the Year in 1999. "We're growing together as a team," Bourque-Trieff said.

HUSTLING TO THE BALL...Raider sophomore Ryan Breznitsky, No. 14, heads off a Kinnelon Colt attempting to gain control of the soccer ball. The Raiders defeated Kinnelon, 1-0, to up their record to 6-0.

say Filo temporarily confusing the Blue Devils with her high-arching serves, the Raiders jumped to a 13-11 lead before the Blue Devils grabbed the reins and took final control.

In game 2, "They had a much more difficult serve," said Torok. "I put some young kids in to get some experience and it took them a little while to adjust."

The Raiders "felt intimidated in the first game," said Raider Head Coach Michele Rascavage. "They felt more comfortable in the second game. I did not make many changes. I just tried to calm them down. We started to get our serves over. Nina Baker ran a few serves and that helped. She has immense talent."

Considering Feeley's potential, Rascavage said, "She is just learning the system but she has such raw talent. She is the most coachable kid I ever had. She listens to everything."

Despite having mostly new faces on the court, featuring several juniors, the 2-1 Blue Devils' team synchronization has been improving. "We're still a little young. They have the ability, but it's just going to take us a little time to get the team together as one," pointed out Torok. "It takes time and a feel for knowing each other on the court and knowing what each other is going to do in a given situation. But we are progressing quickly."
