Inventors, Jazz to be Topics Of Hadassah Programs

WESTFIELD - The Westfield Chapter of Hadassah will meet at Temple Emanu-El in Westfield on Monday, February 11, at 10:45 a.m. for an Educational Forum conducted by Elaine Kolker and Bea Wetscher. The program topic will be "All About Our Famous and Infamous Inventors." The regular meeting will follow at 12:30 p.m., with David Cayer as the guest speaker. Mr. Cayer will talk about "Jews and Jazz," including how Jewish Americans played a role in the development of jazz. The genre was created primarily by African-American musicians who blended African, Afro-American and European music into a unique American art form that has had worldwide appeal.

The two main topics will be a sampling of Jewish jazz musicians, ranging from Benny Goodman to Artie Shaw and John Zorn's avant-garde quartet, "Masada," and some examples of Jewish music as interpreted by both Jewish and non-Jewish artists, including Cab Calloway's cantorial style and Billy Holliday's rare home recording of "My Yiddish Mamma."

This program was developed and funded by the New Jersey Council for Humanities, a state partner of the National Endowment for the Humanities.
