

Retirement Dinner on Tap To Honor Stan Kaslusky

WESTFIELD—A retirement dinner to honor Stan Kaslusky, Executive Director of the Westfield Y, will be held on Thursday, June 6, at 6:30 p.m. at The Westwood in Garwood.

Mr. Kaslusky has been the Executive Director of the Y since 1983 and has served the national YMCA organization for the past 34 years.

During his tenure, he was instrumental in merging the YMCA and the YWCA in Westfield to become the Westfield Y, which offers a variety of programs geared toward the needs of the community and family life issues.

He began the childcare program, which provides care for children from one year old through intermediate school.

The Y provides care for approximately 600 children per day at its

Clark Street location, plus area schools and church facilities in town. In addition, the Y formed the Family Life department, which runs classes and seminars on parenting and children's issues.

Programs were also developed at the Westfield Y to address the changing needs of the community: the five-year commitment to First Night, the Family Life Program, the Black Achievers Program and mentoring and support programs for all ages. Since 1983, Westfield Y membership has grown from 3,000 to over 9,000 members.

Besides his position with the Y, Mr. Kaslusky served as President of the Rotary Club of Westfield and as a board member of the Westfield Area Chamber of Commerce.

Anyone interested in attending the celebration may call Kathy Dawson at (908) 233-2700, extension no. 225, between 9 a.m. and 5 p.m., Monday through Friday, for more information.

SPECIAL VISITOR...Captain Jim Morgan of the New York City Fire Department recently visited Holy Trinity Elementary School in Westfield. Captain Morgan was one of the hundreds of firefighters who responded to the World Trade Center disaster on September 11. He is pictured with his nephews, from left, Jack, a student at Holy Trinity, and Owen Colwell.

Steel Joist Institute Elects Timothy Day As New President

AREA...Mr. Timothy Day, a resident of Westfield, has been named President of the Steel Joist Institute. The industry association is headquartered in Myrtle Beach, SC.

Mr. Day has more than 18 years of experience in the steel industry and is Vice President of Sales for New Columbia Joist Co. in Summit, NJ.

The Steel Joist Institute works with building code bodies throughout the country to develop regulations for steel joists and joist girders. It is a not-for-profit organization.

CONGRATULATIONS...Tim Day of Westfield has been named President of the Steel Joist Institute.

Student Poll Workers Bill Clears Full Assembly

TRENTON — Legislation that would enable 16- and 17-year-olds to become election poll workers cleared the full Assembly on Monday and now heads to the State Senate for consideration.

Assemblyman Thomas H. Kean, Jr. (R-21) said the intent of his legislation, A-415, is to increase the number of available poll workers while peaking the interest of high school students to get involved in the electoral process.

"This legislation addresses the well-known shortage of poll workers during elections, while also familiarizing our young people with democracy in action," he stated.

"By extending the opportunity to serve as poll workers, it is my belief that our high school seniors will develop a better appreciation of civic responsibility and share what they've learned with their peers," he added.

The legislator also noted that his bill will help increase the pool of Board of Election workers that has been on the decline in recent years.

Adults affiliated with either the Republican or Democratic Parties would be chosen for poll workers' slots first. Remaining openings would be filled by persons unaffiliated with either of the two political parties.

Sixteen- and 17-year-olds would be considered unaffiliated under the legislation, and as such, would never constitute a majority of workers in a polling place.

In addition to being at least 16 years of age, the legislation would require poll workers to be United States citizens and enrolled in high school.

Assemblyman Kean also noted the legislation instituted a number of safeguards appropriate for younger poll workers. Applicants would have

to submit a written statement signed by their parents or guardians, giving them permission to serve as poll workers.

Also, applicants would be required to get written permission from their school in case poll worker training or elections are held during school hours.

The legislation is supported by the Division of Elections, the New Jersey Association of Election Officials and the Camden Board of Elections.

Assemblyman Kean said this measure should be part of an ongoing effort to educate school-aged children on the electoral process, so that more youth exercise their right to vote upon reaching their 18th birthday.

If enacted into law, New Jersey would become the 11th state to permit high school students to serve as poll workers.

Identical legislation sponsored by Senator Richard H. Baggett, S-1366, is currently before the Senate State Government Committee.
