## Boy Scouts To Conduct Food Drive for Local Banks

AREA - Boy Scouts, Webelos, and Cub Scouts from communities throughout Somerset and Union Counties will be collecting food for the benefit of local food banks for the annual "Scouting for Food". After more than 10 years, community service by the Scouts has become an important part of the food-supply picture in many community food banks.

On the weekend of November 9, parent-supervised Scouts and Cubs will distribute specially marked bags, or descriptive requests, to homes in their assigned neighborhoods and will pick the bags up on the following Saturday, November 16. (In some towns, a week-later schedule may be used.) Homeowners are asked to fill a bag with nourishing, non-perishable, not-in-glass food products that can be

stocked at a food pantry and to put the bags out for pick-up on Saturday (or as directed). The Scouts will then return to the same homes they visited to take the bags to a local food pantry, such as a church or a community facility. The food will be used to prepare Thanksgiving baskets and to serve needy families throughout the winter.

The scout units participating in the food drive, at this time, are part of the Mountainside-based Patriots' Path Council, Boy Scouts Association. For more information, please contact George Gross at (908) 654-9191.
