Blood Drive Is Scheduled At Red Cross on October 3

WESTFIELD — The Blood Center of New Jersey (BCNJ) has announced that a blood drive will be held from 3 to 8 p.m. on Thursday, October 3, at the Westfield/Mountainside Chapter of the American Red Cross, located at 321 Elm Street in Westfield.
"We are in need of all types and continue to be seriously low on types O positive, O negative, A negative and B negative," said Judy Daniels, BCNJ spokeswoman.
New deferral criteria from the Food and Drug Administration is affecting the adequacy of the blood supply. This new criteria includes more stringent travel restrictions and has increased significantly the number of potential donors being turned away. Additional travel screening will be put in place at the end of October.
Donors must be at least 17 years old. There is no upper age limit for donors, provided they meet health requirements. Donors should know their Social Security number and bring a signed or picture form of identification.
People with a fever or sore throat should wait until they are feeling better before donating and there is a 24-hour deferral for teeth cleanings and fillings.
Individuals who have traveled outside of the United States recently are asked to call the Blood Center at (973) 676-4933, extension no. 132 for eligibility criteria.
For more information or to sign up for a blood drive, please call the Blood Center at (800) 652-5663, extension no. 140.
