

Beautifully orchestrated with the harmonization of simplicity and artistry this classic Westfield Arts & Crafts home beautifully illustrates the handicrafts of the style with wide overhanging eaves, exposed roof rafters, decorative braces, customary sleeping porch, wood paneling and built-ins. Another characteristic portrayed is the attention to flow that radiates from the fire lit living room. The spacious formal dining room, family room and eat-in kitchen represent the focus of one floor living. Cordial private spaces, on the 1st & 2nd floor, abundant closet space and brilliantly updated baths add to the enchanting quality of this home. A sprawling backyard and an unbelievable location, with the perfect blend of privacy and access to conveniences, enhances the charisma of this home. Presented for \$1,175,000.
