

**“If you can get FiOS, you’d
be crazy not to go for it.”**

*PC Magazine, Aug. 2006**

**See why the experts are raving about the
fiber-optic power of Verizon FiOS Internet.**

Recently *PC Magazine* conducted a speed test with 10,000 readers of their magazine. The goal? To find out which Internet service provider delivers the fastest speeds. The results? Well, like *PC Magazine* said, “Verizon’s fiber service blew them all away.”

Do more with FiOS Internet. Listening to podcasts.

Updating a MySpace® profile. Streaming clips on YouTube™.

With the ultrafast speed of FiOS Internet, it’s easy to do it all.

And because our network goes all the way to your home, you can be sure you’re getting 100% fiber-optic power all the time.

Get started today with connection speeds up to 20 Mbps for only \$29.95 a month, for the first three months,** when you

sign up for a year. But you have to hurry, because

this offer ends **12/15/06**. Just call to sign up.

Hey, you’d be crazy not to.

\$29⁹⁵
A MONTH FOR THE
FIRST 3 MONTHS**

It’s time for something better.

Verizon FiOS Internet

We never stop working for you.

*PC Magazine, “Real-world testing: Find the fastest ISP,” August 22, 2006.

**Limited-time promotional offer expires 12/15/06. Offer applicable to new Verizon FiOS Internet residential customers who purchase FiOS Internet 20 Mbps/5 Mbps service. Customer will receive \$5 off the monthly recurring rate of \$44.95 for 12 months, as well as a one-time promotional bill credit of \$30 after the third month of FiOS Internet billing, and will appear no later than the fourth FiOS billing statement. At the end of the 12-month promotional period, the monthly recurring charge will revert to the then-current monthly rate. The effective monthly rate of \$29.95 for the first three months is calculated by allocating the one-time \$30 bill credit over the first three months and deducting the monthly allocation from the promotional monthly rate of \$39.95. One-year commitment required. \$19.99 activation fee will apply to each FiOS Internet order. Current Verizon Online DSL customers converting to the promotional 20 Mbps/5 Mbps FiOS service will be exempt from the activation fee. Other service speed options and month-to-month pricing available. Offer is nontransferable and cannot be combined with other discounts or promotions.

Verizon FiOS Internet is provided by Verizon Online and is not available in all areas. Service availability subject to final confirmation by Verizon. Verizon installation required. Free installation includes main computer only (there will be an extra charge for all additional computers). Acceptance of Verizon Online Terms of Service is required. Minimum system requirements apply. Equipment provided will be new or fully inspected, tested and warranted return unit. Limited to one router provided at no charge per household per FiOS service, FiOS Internet and/or FiOS TV. If service is canceled between months 2 and 12, \$99 early termination fee may apply, and router provided at no charge must be returned or \$99.99 equipment fee applies. Month-to-month packages are available. The 30-day money-back guarantee applies to Verizon Online charges only. CAT5 or higher-grade inside wiring or existing RG59/RG6 coaxial cable is required. Only Web-based features of Verizon Yahoo! for FiOS are Macintosh® compatible. Software for MSN® Premium versions of Verizon FiOS is not Macintosh® compatible. Connection speeds are between your location and the Verizon central office serving your location. Actual download and upload speeds will vary based on numerous factors, such as the condition of wiring at your location, computer configuration, Internet and network congestion, and the speed of Web site servers you access. Speed and uninterrupted use of the service are not guaranteed. Home networking bandwidth shared by multiple users, wireless routers and simultaneous usage may affect individual user’s throughput speed. Applicable taxes apply. Valid through 12/15/06. Other terms and conditions apply. Offer subject to change without notice. Power for services provided on the Verizon FiOS network must be supplied by the customer. Customer is responsible for backup battery replacement. Backup battery does not supply power for Internet or video services. Certain telephones, answering machines and other telephone equipment not meeting industry standards may not work with service provided on the Verizon FiOS network. Current Verizon Online DSL customers who move to FiOS Internet service will have their Verizon Online DSL permanently disabled after their FiOS conversion. ©2006 Verizon. All Rights Reserved.
