## PUBLIC NOTICE

The Board of Adjustment of the Town of Westfield, New Jersey will meet on **February 26, 2007** in the Council Chambers at the Municipal Building, 425 East Broad Street, Westfield, New Jersey at 7:30 p.m. to hear and consider the following appeal for variance relief from the requirements of the Westfield Land Use Ordinance: **St. Helen's Church** located at 1600 Rahway Avenue, Westfield, New Jersey, Block 5402, Lot 34.02 seeks permission to increase the size of the existing church structure and to construct an administrative building connecting the existing church to the existing parish center. Formal action may be taken. The application and plans are on file in the office of the Secretary of the Board of Adjustment, 959 North Avenue West, Westfield, New Jersey and may be seen Monday through Friday, 8:30am to 4:30pm. Kathleen A. Nemeth Secretary, Board of Adjustment 1 T - 2/15/07, The Leader Fee: \$23.97

**1. Minimum Frontage:** Section 18.08C requires a minimum lot frontage of 225 feet for a conditional use. The existing frontage is 162.4 feet. The Church seeks a variance to continue the existing frontage. The Application requires bulk variance relief pertinent to the following requirements of the Westfield Land Use Ordinance: **1. Minimum Number of Parking Spaces.** Section 17.02C.3a requires that houses of worship provide off-street parking at the rate of one space for each 3 fixed seats, or for each 90 square feet of floor area, that could reasonably be in use at one time in the foreseeable future, as determined by the Board. Although information has not been provided concerning the number of fixed seats in use at one time, the zoning schedule on the plans indicates that based upon floor area re-

quirements, 472 spaces are required. Only 380 spaces are proposed. **2. Location of Parking Spaces:** Section 17.03B5 prohibits parking in a front yard. The Church seeks a variance to permit it to have banked parking located in the front yard area for special events. **3. Height of Decorative Tower:** Section 12.05B permits the height of a decorative tower to be no more than 47 feet. The Church seeks a variance for the Decorative Tower (cross) to be 48 feet in height. **4. Height of Lighting Fixtures:** Section 17.10E permits lighting fixtures within the parking areas to be no more than 15 feet in height. The Church seeks a variance to allow it to continue using existing light fixtures that are 28 feet in height and to add additional lighting fixtures that are also 28 feet in height. The Church also seeks approval of any and all other relief not indicated above that may be determined necessary during the course of the public hearings. If the matter is not concluded on that date, additional public hearing dates may be ordered and scheduled. This notice is sent to you on behalf of the applicant by order of the Board. Any interested party may appear at the hearing, either in person, or by their attorney, and be given an opportunity to be heard with respect to this application. Documentation of the above is on file in the Office of the Town Engineer, 959 North Avenue West, Westfield, New Jersey and may be seen Monday through Friday, 8:30 a.m. to 4:30 p.m. Lindabury, McCormick, Estabrook & Cooper 53 Cardinal Drive, P.O.
