AWARDED...Dr. Minerva Guttman receives a Presidential Citation and joins Fairleigh Dickinson President J. Michael Adams at Fairleigh Dickinson University's annual Academic Convocation on September 26.

Dr. Guttman of WF Honored At FDU Nursing School

TEANECK - The Henry P. Becton School of Nursing and Allied Health was honored at Fairleigh Dickinson University's annual Academic Convocation on September 26. The Director of the School, Dr. Minerva Guttman of Westfield, accepted a Presidential Citation on behalf of the faculty.

In presenting the award, FDU President J. Michael Adams said, "The Henry P. Becton School of Nursing and Allied Health has become a state leader with its passing rate on the NCLEX examination - twice above 90 percent and twice at 100 percent. Its classes are filled

with students, and enrollment is at an all-time high.

"To Minerva and her team, a strong commendation for each and all of you as we bear witness to your remarkable achievement through a dedicated approach to the health and welfare of student learning at Fairleigh Dickinson University."

He noted that the faculty of the school achieved these results by working together, analyzing student performance, reworking the curriculum, providing additional support and implementing a plan that enhanced student learning. During this process, Director Guttman provided resources, developed clear guidelines and goals, encouraged her faculty and built the confidence necessary to enhance student performance.
