"Looking for a church that is democratically governed; where faith, reason and science are in serious dialogue rather than opposition; where you will be welcomed for who you are and where you are on your faith journey, but also encouraged and inspired to reach higher and grow deeper in your relationship with God? First Congregational Church of Westfield may be just what you are looking for. But don't take my word for it. Come see for yourself." — *Rev. Dr. Mark Boyea*
