field line, and Gang brought him home with his RBI double. St. Nick tied the score in the bottom of the inning when Curtis singled and later scored on Alvarez's RBI groundout.

St. Nick seized a 6-1 lead in the second. Samuelian and Rob Del Cid singled, and Scott Friedrichs followed with an RBI single. Eric Fisher tapped an RBI single, Curtis walked and Labin hopped an RBI double to center. Reich

then sliced his two-run triple to right. Their lead upped to 7-1 in the third when Lou Blau singled and scored on Samuelian's RBI groundout.

St. Anthony came to life with four runs in the fourth. Baboornian and Warfield singled. Gang poked an RBI single and Barone bashed a two-run triple to center. Burfeindt followed with an RBI sacrifice fly. St. Nick answered in the bottom of the inning when Reich rifled his two-run single to make the score 9-5.

Perconte led off the fifth with a double, but Labin's crafty maneuver and Alvarez's snow cone grab prevented any scoring. Warfield finalized the scoring with his solo shot to the right field fence in the seventh inning.

BRINGING DOWN A WARRIOR... A host of Cougars bring down the Warrior running back. The Cougars pulled off a 17-14 come-from-behind victory.

forces, halting the drive on the 21. In the second quarter, Cougar Troy Ketter successfully booted a 32-yard field goal to narrow the lead to 14-9. Sloppy play and yellow laundry (penalties) strewn across the field hampered both teams through the third and fourth quarters. The Cougars did threaten to get on the scoreboard when Green hooked up with Bobby Bruns for 27 yards. Evan Zoughy (6 rushes for 41 yards), on an end-around, followed with a 19-yard surge settling the ball on the six. An untimely fumble at the 10, however, placed the ball back into Warrior hands. Bruns finished with five receptions for 51 yards.

After an excellent defensive stand, the Cougars roared back with determined vengeance. With the ball on the 32, Green completed to Bruns for 14 yards. Three plays later, running back Jimmy Dwyer (9 rushes for 41 yards), behind excellent blocks, charged 18 yards for the touchdown. The two-point conversion, Green-to-Zoughy, was successful, giving the Cougars a 17-14 lead with 6:10 remaining in the

third quarter. In the fourth quarter, the Cougars' defense maintained their focus and aggressiveness, and the offense threatened to put additional points on the board when Green marched his troops up field settling the ball on the eighty-yard line. The Warrior defense, however, held tight. With time slipping away for the Warriors, the Cougar defensive unit roared loudly for the last time when defensive lineman Jeff Weiss pounced on the quarterback to end the contest for the 2011, North Jersey, Section 2, Group 3 champions.

"We wanted to come out early and get a quick score. I did not expect DeSilva to run that back to the five, so that was good, got to score early. Offensively, penalties here and there, but other than that, everyone did a solid job today," said Green.

"From those first two drives, they got a goose egg after that. Coach Hubert and the guys on that entire defense work in concert; they do a great job. Offensively, we have a lot of work to do. We thought we were a little further along, but they did a good job against us and they shut us down all night. We later settled down, we stopped getting penalties; I think they stopped for both sides. We were able to adjust enough at the end to almost run the clock out. The defense came on and ended the game for us. It was just a matter of hanging in there. Maybe it comes from their experience on last year's team when they understand that they have been in those battles and have come out victorious. We were just going to refuse to lose, but I'm telling you; it's a coin flip right to the end. It could have gone either way," concluded coach Rosenmeier.
